

WARNING:

- This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.
- Make sure all electrical power is turned off while installing the fixture.
- This luminaire must be adequately grounded for protection against shock hazards and to assure proper operation.
- Disconnect power before servicing.
- LEDs are ESD (Electro Static Discharge) sensitive devices that can be easily damaged if the proper ESD mitigating steps are not taken.
- LEDs are very sensitive to mechanical damage. Caution must be taken to avoid damage to the LEDs.
- ESD or mechanical damage voids all warranties.

FIXTURE DETAIL

Use the illustrations below when assembling or disassembling the fixture. (96, 4' shown)

BACKVIEW

Nominal Length	Overall Length (A)	Mounting Distance (B)
2'	27-5/8"	12" - 17" OC
4'	51-7/8"	30" - 42" OC
8'	100-1/4"	48" - 80" OC

96 & 97 LED SERIES INSTALLATION INSTRUCTIONS

INSTALLATION

STEP 1: Securely attach mounting brackets (2) to mounting surface. The 96/97 enclosure will engage the mounting brackets at any point along its length, except for where there are latches. Required spacing between the brackets are as follows: 12" - 17" for 2' housings, 30" - 42" for 4' housings, and 48" - 80" for 8' housings.

STEP 2: Insert one side of the 96/97 housing into the mounting brackets.

STEP 3: Push up on the enclosure and then press in on the mounting bracket until the mounting bracket clicks into place.

STEP 4: Verify that the enclosure is fully supported before connecting to a power supply.
